

## EVERYTHING YOU NEED TO KNOW ABOUT OUR SUPERIOR HOME INSURANCE PROTECTION PLAN

As a homeowner, you have much to safeguard, and you deserve a policy that offers exceptional and reliable protection for your property and cherished belongings. Whether you need to rebuild your home from the ground up after a major loss, replace damaged or stolen possessions, or make alterations required by law, our Superior Home Insurance Protection Plan typically provides broader coverage to fit your caliber of home and lifestyle.

### OUTSTANDING COVERAGE, MORE PEACE OF MIND

Our Superior Home Insurance Protection Plan automatically includes:

- 1 | ORDINANCE OR LAW COVERAGE**  
Though not always incorporated in a standard homeowners policy, this valuable coverage is included in our plan to help you pay for the high costs often associated with making changes or alterations to your property required by current local building codes.
- 2 | REPLACEMENT COST ON CONTENTS**  
Unlike a standard homeowners policy, which typically reimburses you for destroyed or stolen belongings at their actual cash value, we offer replacement cost value with no deduction for depreciation.
- 3 | OPEN PERILS CONTENTS COVERAGE**  
Compared to a standard home insurance policy, which limits coverage to only those perils listed in your policy, our plan includes coverage for all losses, unless explicitly excluded.

“ The Andover Companies service team is professional, personable, and extremely helpful. We’ve had our homeowners insurance with The Andover Companies for over six years and are happy to have recently added our secondary home with them in another New England state. I highly recommend insuring with them. ”
